

ORDINANCE NO 95-5

BURNING ORDINANCE

OPEN FIRES: Incineration of waste material, refuse, leaves, paper or other combustible debris out of a building or structure in area if doing in accordance with the following rules:

- No such burning may be done within 15 feet of an existing building or upon the paved portion of any street or any place which constitute a fire hazard
- Any such burning shall be done in a suitable fireproof incinerating receptacle which is constructed so as to prohibit the spread of sparks or embers
- No such burning shall be done prior to 7:00 a.m. and must not be continued after 8:00 p.m. on any day
- No burning shall be done unless under the charge and supervision of a person of mature years and discretion
- No such burning shall be done at any time or place which wind conditions would create or be apt to create a nuisance to anyone or to the property of anyone in the vicinity thereof or be a danger to the property of any person in the vicinity thereof
- No such burning shall be done where the maximum size is not controllable by one person of mature years and discretion

NUISANCES: It shall be a nuisance and unlawful for any person to burn or allow to be burned at any time or place any materials of any kind which exude obnoxious odors and/or smoke or when such fire emits sparks or burning embers upon adjoining adjacent neighboring or nearby premises.

WASTE RECEPTACLES AND STORAGE: No person owing or being responsible any premises shall permit any wastepaper, ashes, oil, rag, waste rages, excelsior or any material of a similar nature to accumulate thereon unless contained in fireproof receptacles.

If any person is found in violation of this ordinance, the fine shall be consistent with the fees charged by the fire department.

This ordinance was originally adopted on October 10, 1995 and readopted on July 9, 2013.
