

## COMMUNITY MEMBER SPOT LIGHT

---

Sally Hicksenhiser is a lifelong resident of Camden. She has lived in the Camden Village for 52 years. She has 2 children, 4 grandkids and 3 great-grandchildren. She worked 30 years for the Camden Telephone Company and attended the Camden Missionary Church. Sally has witnessed the Camden Village structure change through the years. Sally recalls a furniture store, a bowling alley and a weekly side show that included a clown act that cost a penny to go see. She likes to play bingo and remembers a time when it was once offered at the town hall. Talking to Sally is like walking back in time. Thank you for the history lesson, Sally!
